World Class Education in the UAE

Sorbonne University

Founded in 1257, Sorbonne University is a multidisciplinary, research-intensive, world-class university.

Located in the heart of Paris, with a regional presence, the university is committed to student success and to meeting the scientific challenges of the 21st century.

Sorbonne University promotes diversity, creativity, innovation and openness to the world with the support of 6,400 academic researchers, partner researchers, and 3,600 administrative and technical employees.

Sorbonne University Abu Dhabi

Sorbonne University Abu Dhabi was established in 2006, under the patronage of His Highness Sheikh Mohammed bin Zayed Al Nahyan, President of the United Arab Emirates and Ruler of Abu Dhabi.

The university benefits from Sorbonne's 750+ years of academic excellence and educates students of more than 60 nationalities with 25 undergraduate and postgraduate programmes in Sciences, Humanities, Languages, Law and Social Sciences, plus customised continuing and executive education courses.

Bachelor and Master degrees offered by the university are awarded by Sorbonne Université and Université Paris Cité, globally recognized and accredited by the

Commission for Academic Accreditation (CAA) in the UAE and by the High Council for the Evaluation of Research and Higher Education (HCERES) in France

The university also offers a variety of scholarships, including the HH Sheikh Mohammed bin Zayed Al Nahyan 100% Scholarship for Emirati nationals and children of Emirati mothers in addition to academic excellence scholarships up to 75% and preferential rates.

Sorbonne University Abu Dhabi has positioned itself as a significant contributor to research and innovation in the UAE and GCC region. Research at Sorbonne University Abu Dhabi is carried out within a research institute which houses a team of **dedicated researchers** driving forward innovative projects. As of 2024, **four research centres** have been established to tackle questions of global significance and local relevance: **Artificial Intelligence, Heritage studies, Environmental studies and Urban and global societies.**
